MAGIC IN YOUR HANDS

WHITENING SOAP

With regular use of whitening soaps, you can brighten your skin tone by removing old and dull skin cells to reveal fresh and healthy ones. Exfoliation is one of the ways whitening soaps help brighten skin. The other reason why these soaps work is because of the active whitening ingredients used in them.

Mage

MAGIC IN YOUR HANDS

MAGIC IN YOUR HANDS

LEMON SOAP

100gr

3x50gr
150gr

If you want long-lasting freshness, then you need a lemon soap. Lemon is known for its anti-bacterial properties. Lemon rejuvenates and revives the skin, treats pimple and acne and lightens skin tone. Moreover, it also refreshes your skin and gives you long-lasting freshness. Lemon oil has antioxidant properties due to its Vitamin C content. It helps the skin to be purified from dead cells and to regain the moisture balance of the skin.

Mage

MAGIC IN YOUR HANDS

STRAWBERRY SOAP

The soap bar is a natural cleanser and emollient that is effective at improving dry skin or treating acne and inflamed skin, at the same time. Acne is caused by excess accumulation of sebum on skin pores and can be cleared off with present nutrients in this fruit. The acidic nature of strawberries enables helps in removing the excess oil in the skin. Strawberries contain the anti-oxidant called ellagic acid. This helps in preventing collagen destruction, which is one of the major reasons for wrinkle formation on skin texture.

Mage

MAGIC IN YOUR HANDS
